

General English

Our most popular programme, General English, covers all the four key skills, provides learner support through individual tutorials and offers a supportive learning environment for students of all levels. Whether you are just starting to learn or are well on your way to proficiency, these programmes will give you what you need to go further.

With an emphasis on learner participation, General English is the ideal programme for students who want a fully rounded learning experience and need to make progress across the skill set. Our teachers will also provide error-correction and study guidance to help you become a self-supporting learner.
