

Part Time Courses

Evening Courses

UKCE looks to help students in many ways and providing evening classes at times to suit those who are working is just one way in which we help.

Available in 8 or 12 week blocks these very reasonably priced programmes not only give students an opportunity to learn but also a great network of colleagues, which can really help if you are looking to make a life in London. You can also choose between General English, Cambridge Exam Preparation or an IELTS programme.

Start dates for Evening courses – any Monday (Tuesday, if the Monday is a Public Holiday)

Class size: Max 14

Weekly class hours: 6 – 3 evenings per week (Monday, Tuesday and Thursday)
