

## IELTS

Undoubtedly the most recognised English language qualification in the world, a good score at IELTS is the key to opening the doors to many future paths – academic admission, employment or immigration.

Here are some key facts about IELTS:

- more than 3 million tests taken in 2017
- recognised by more than 10,000 universities, schools, employers and immigration bodies, including all universities in Australia and the UK and many of the leading institutions in the USA.
- tests administered by centres in more than 140 countries around the world.

Our IELTS programme gives you the dedicated study time to understand this rigorous exam and will help you make the best of your efforts to achieve the result you need.

We have a range of courses and times that will help you get to where you need to be. We are also pleased to be able to offer an IELTS Pathway programme – this course helps to get students to a level where they can enter the full IELTS programme by introducing them to the exam and working on areas that need to be improved, so that you can gain the most benefit from the main IELTS course.
